Gouverneur Morris—"Father of the Penny"

AMONG all the framers of the Constitution of the United States none were more adept at constructive statesmanship than the "father of the American decimal system" and originator of the copper cent. The finish, style and arrangement of the Constitution fairly belong to the brilliant and energetic Morris. From his youth to the hour of his death he was a devoted and dauntless worker for American progress. His unrivaled ability as an orator was known throughout Europe, and his funeral orations on Washington, Clinton and Hamilton are treasured American classics.

Gouverneur Morris was an indomitable supporter of the Louisiana Purchase. He was who rescued LaFayette from prison walls and aided him from his private purse. Personally he was very handsome; his nature was impulsive, but his heart was warm and generous. He loved society, and his hospitality was famous. All his life he drank the creative brews of milk and hops, and who will dare say that it weakened his will power or detracted from his success, his fame, his glory and his might? It was upon the tenets of the Constitution of the U. S. A. that Gouverneur Morris, 81 years ago founded their great institution. During these 83 years they have daily brewed from the finest barley and hops famous for being alive with natural force and nutriment. Their great brand BUDWEISER, because of its quality, purity, mildness and exquisite flavor, exceeds the sale of any other bottled beer by millions of gallons. BUDWEISER'S popularity grows daily, and 7700 people are daily employed to keep pace with the public demand.

At St. Louis are our country brewed in respect to purity, 1915 actual.

## PROTEST NOW

The "Birth of a Nation," a sensational picture play based on race prejudice, is causing much racial bitterness wherever the promoters have attempted to show it. Mayors of Boston, Los Angeles, San Francisco and Chicago have pronounced it "low and degrading," and have refused to permit it to be run. The picture has not reached St. Louis, but may at any time. In filing an objection to the play before the St. Louis Board of Police Commissioners, Miss Charlotte Rumbold, recreation head of the Park Division, says, "I understand the second act deals with the Reconstruction Period in the South. I believe that, because St. Louis is a city where the sentiment between the North and the South was narrowly divided, it would be inadvisable to present such a show."

Miss Rumbold is right. The picture should be ruled out of this city. St. Louis can ill afford to let this vicious play contaminate her honor. Every true citizen should protest to the Police Board as did Miss Rumbold. Do it today! Protest now!

## THE PARK COMMISSIONER

Park Commissioner Nelson Cunliff, in an interview with an Argus representative a few days ago regarding his attitude toward the Negroes enjoying all the recreative privileges of the proposed new parkway, stated: "The Negro is a taxpayer of this city and is entitled to every privilege accorded other citizens. Especially is this so with parks and institutions maintained by the city. So far as I am concerned, the Negro shall have all the privileges any other race enjoys in the parks, recreations and places that are in my charge as park commissioner."

When asked about the tennis courts, Mr. Cunliff replied: "All the courts in all the parks are open to all citizens alike."

We were pleased to interview Mr. Cunliff. First, because he holds a broad and important position in the city's government; second, some of the opponents of the parkway are saying the play grounds and recreations along the parkway will be closed to Negroes.

The statements of Mr. Cunliff show that he is in harmony with the administration plan to give every man a square deal. We can well afford to trust those who are our friends.

## GET ACQUAINTED

If you are prejudiced against a fellow, the chances are that you are not really acquainted with him. Most folks are much more likable than you would suppose, upon slight acquaintance, or none at all.

It is a poor rule that will not work both ways, and the other race would like us better if they knew us better. Most prejudices are without cause or reason. Race problems grow out of race prejudices. It is not because a certain race is radically wrong that some other race is prejudiced against it. It is because that other race is not really acquainted with the race it dislikes.

If you are not acquainted with a fellow, you cannot understand him and his ways. You cannot see that at bottom he is just like you—human, with all humanity's virtues and faults. What is true of individuals is equally true of races, for a race is only a collection of individuals.

So get acquainted. Learn the other fellow and let him learn you. See yourself reflected in him; and let him see himself reflected in you—so alike is human nature.

There is so much good in the worst of us,  
And so much bad in the best of us,  
That it ill behooves any of us  
To talk about the rest of us.

## Clover Leaf Forging To The Front

District Manager, E. Hawkins, Says  
Bright Future For Agents

That the Clover Leaf Casualty Co. of Jacksonville, Ill., is forging its way to the front and in the hearts of St. Louisans is becoming more evident every day. It was the writer's pleasure to call at the local office, located at 2359 Market St., a few days ago, and finding an opportunity to speak at some length with the District Manager, Mr. E. Hawkins, relative to the operation of this company in the city. Mr. Hawkins, who was very busy, said that all he wished to say concerning the company was that they were paying their claims and forging to the front. And as evidence of that fact he pulled from a drawer a list of claims that had been paid through the local office about eight feet long with the names of a large number of business and professional men, and in fact men and women of all classes who had been disabled and had been benefited by receiving their money promptly. When asked what he thought of other companies doing the same kind of business among colored people, Mr. Hawkins produced a list of ten agents directly under him who are employed by the Clover Leaf, and said, "Where is another company in this city that has as many colored men employed?" The Clover Leaf is making places for our men. They have a young woman employed as clerk and cashier, a very responsible position, which she fills with credit. "I have nothing to say against any other company. I am a booster and have no time to knock. A knocker never won anything by knocking."

We found Mr. Hawkins very optimistic on the question of the future for colored insurance agents in this city and said that though the company was always willing to promote and encourage the agents to go to other cities where they might have full charge of a district, he was loath to give up anyone of his force on account of the peace and harmony that exist among them at present.

The first grand automobile excursion and barbecue will be given by the new Metropolitan Church Thursday, May 3. ## Some Hints To Moving Picture Patrons

As Told by W. H. King, Proprietor Of The Garden Airdome - 2120 Market Street

First, patronize those places that give you the best employment.

When you don't feel like going to Forest Park Highlands, come to the Garden Airdome where you are always welcome. (Blood is thicker than water.)

How many white oodons on Market St. employ colored help?—All of our employees are colored.

We spent Eight Hundred Dollars in improvements, and every dollar was paid in Colored workmen. How many white oodons on Market St. have done as much for the race?

If you think you are doing right by spending all of your nickles in white oodons, let your daughter apply for a position as Caddie at one of them; and please let us know if she gets the position.

We are giving our patrons the best moving pictures that money can buy, even though we are forced to send to Chicago to get them because the white oodon proprietors on Market St. have bought up all of the local service in an effort to keep us from doing business among our own people.

For any further information along this line, see Mr. King, 2120 Market St., at the Garden Airdome.—Adv.

**BIRDIE BEAL, PIONEER LADY EMBALMER**

A long stride of progress in the proper direction has been made by Birdie Beal, and she is deserving of the cordial encouragement of all the members of her race and sex.

Miss Beal is the only colored lady embalmer in the city of St. Louis or state of Missouri, having successfully passed the required examination before the Board of Examiners in November, and is prepared to render first-class service to ladies.

Having been well trained and having been authorized by the commonwealth, she must indeed be competent, and those who avail themselves of her services may rest assured that she will faithfully and intelligently perform her duties in a thoroughly womanly manner.

Miss Beal wishes to thank her many friends for the service rendered in trying to protect her race and sex.

Miss Beal, since completing the course, has opened as lady undertaker at 2726 Lucas Avenue, connected with her father, A. L. Beal, and has had charge of eighteen lady funerals, which was very much satisfaction to the deceased families.

Open day and night. Central 5049; carriages furnished for all occasions. Belmont 2726.

Indians in Two Close  
Games

The West Baden Sprudels, a team of heavy hitters, will have Sunday and Monday to play Charlie Mills' Giants at Kuebler's Park. The visitors have been burning up the diamond this season and bid fair to give our speed boys a couple of hard battles. The aggregation includes Blackwell, L. E. Brown, C. L. Kimbro, 2d base; Kenard, C. Downs, s. s.; Briggie, r. f.; Johnson 1st base; Harrison, 2d base; Miller and Dandy, pitchers. The fact that the Giants and Indians were to play after the rain Sunday proves that nothing but a delay during playing time can put Kuebler's Park out of commission. Out of a score or more games scheduled, last Sunday, the Browns, Terriers and Giants were the only teams that could play.

## GIANTS TAKE TWO FROM INDIANS

The Giants won two hard games from the Indians. Sunday game went 11 innings, the Giants winning 1 to 0. Williams pitched a one-hit game, while Mills' boys hit Watkins the Indians star twirler, five times. Monday's game was an exciting slugfest. Each team made 12 hits, and the score was a scoreless affair until Jimmie Lyons crossed the plate in the ninth with the bacon, score 8 to 7. More than 3,000 fans saw the second contest.

Crenshaw started on the mound for the Giants in Monday's game, but was too wild and was relieved, after passing two men, by Thomas, a new pitcher. Thomas was taken out in the sixth and Williams went in to balance Watkins, who had been called in by the Indians to relieve Cleghorn.

Kid Carrey is hitting the ball hard and playing 3rd base like a veteran.

The Indians have the best team in their career. They will be here again in August.

Hewitt and Bennett starred as pinch hitters in the two games.

CARNATION CAFE OPENS AT  
BEAUMONT AND LAWTON

The doors of the Carnation Cafe, at 2644 Lawton Ave., over Dix's Buffet, opened to a big crowd of patrons Thursday night, May 28. The new place, under the assistant management of J. H. Weldon, presented a picture of artistically arranged palms and roses. The three rooms, with a seating capacity of 85, were a picture from an early hour until the strains of "Home, Sweet Home" were rendered by the entertainers, Walter Farrington and Webb Owsley, in spite of the steady rain.

Each lady present was presented with a large Marshall Niel rose. Messrs. Dix and Hawkins received much praise from the guests. The prompt service of their assistants was also lauded, and they wish to thank their many friends who braved the weather to do them honor.

Every night will be a big night at this new cafe, but Wednesday night will be the regular soubertine feature. All are invited all the time.

Edgar Connor, the original Sambo, and Miss Cecil Mann, two of the daintiest and most artistic little performers that have ever visited St. Louis, are making a decided hit at the Booker Washington Theatre this week in a novelty singing and dancing act. This little couple comes to us with much distinction. Connor is a protégé of the famous Rosamond Johnson, and was the star of the Sambo Girls in the Red Moon Company. He and Miss Mann have been playing white time and would have been filling an engagement in Europe had it not been for the war.
